NASSAR gave verbal commands for MCMILLAN to "stop...drop it." MCMILLAN did not comply. During the encounter with MCMILLAN, NASSAR discharged his firearm while directing his firearm toward MCMILLAN.

At the time the Kia Soul stopped, and as MCMILLAN was exiting the vehicle, one of the other occupants, who was identified as [REDACTED], date of birth [REDACTED], a 16-year-old male, exited the front passenger seat of the vehicle while holding a pistol. Once exiting the Kia Soul, [REDACTED] ran towards the front of the Family Dollar and then along the left side of the building. FORD pursued [REDACTED] on foot. [REDACTED] ran to a wooded area where he was later located and taken into police custody. A pistol was discovered along the route that [REDACTED] was pursued.

In addition to MCMILLAN and [REDACTED], three (3) other occupants were traveling in the Kia Soul. [REDACTED] said MCMILLAN was wearing a camouflage ski mask at the time he (MCMILLAN) brandished the firearm at the [REDACTED]. [REDACTED] described the firearm MCMILLAN was in possession of as being a Taurus pistol.

[REDACTED] explained that they followed the [REDACTED] through the parking lot of a bank in Gulfport, Mississippi, and continued following the [REDACTED] down Pass Road. (Note: The bank [REDACTED] was referring to was identified as Cadence Bank, located at 905 Cowan Road, Gulfport, Mississippi. [REDACTED] stated he "knew something was up" when they stopped following the Chevrolet Volt and the Chevrolet Volt began following them. █████ explained that after exiting the Kia Soul, he began running west, along the sidewalk in front of FD, towards a car dealership. █████ said he exited the Kia Soul with a pistol in his right hand. █████ explained that it was after he had exited the Kia Soul and began running that he heard multiple gunshots. █████ said he originally believed that officers were firing at him because he was running with a gun in his hand. █████ advised he did not hear any of the officers giving verbal commands to put down weapons and that he could only hear gunshots.

█████ advised that while he was running, one of the police officers was pursuing him with a taser drawn. █████ told me he heard the taser discharge and that the taser missed him. █████ said the taser was discharged after he heard the gunshots. █████ told me he was "surprised" that the officer attempted to use a taser rather than a gun because he █████ was running with a gun in his hand. █████ advised that he could tell the difference between hearing a taser and a firearm being discharged. █████ informed me that he ran to a wooded area where he was later located and taken into police custody. █████ said he threw the gun he was carrying down after running into the wooded area.

[REDACTED] said that at the time of the incident, he was in possession of a Glock Model 43 pistol. [REDACTED] advised he obtained possession of the Glock Model 43 pistol from "a hotel." [REDACTED] further explained that on October 06, 2022, at approximately 1:00 a.m., he, along with [REDACTED], MCMILLAN, [REDACTED], and [REDACTED], took a total of three (3) firearms from the inside of an unlocked car that was located at a hotel in Gulfport, Mississippi. [REDACTED] advised on Thursday, October 06, 2022, he was traveling as a passenger in the rear middle seat of a silver Kia Soul while in Gulfport, Mississippi. [REDACTED] provided the following names as the other occupants who were traveling in the Kia Soul: Jaheim McMillan (MCMILLAN), date of birth [REDACTED], was traveling in the rear right passenger seat; [REDACTED], date of birth [REDACTED] was traveling in the rear left passenger seat. [REDACTED] only knew the driver of the Kia Soul by the name of "[REDACTED]" (Note: [REDACTED] was identified as [REDACTED], date of birth [REDACTED].) [REDACTED] did not know the name of the front right seat passenger. (Note: [REDACTED], date of birth [REDACTED], was identified as the front right seat passenger.)

[REDACTED] informed me while [REDACTED] was driving, [REDACTED] said a driver in another vehicle was "mean mugging" him. (Note: The driver of the other vehicle was identified as [REDACTED], date of birth [REDACTED], telephone number [REDACTED].) [REDACTED] advised that [REDACTED] began following them ([REDACTED], [REDACTED], MCMILLAN, [REDACTED], and [REDACTED]). [REDACTED] later stated, "Most of the time we was behind him and chasing him."

[REDACTED] said he believed MCMILLAN had a gun in his possession, but he did not see him flash it. [REDACTED] later explained while traveling on the roadway, MCMILLAN did brandish a firearm at [REDACTED]. [REDACTED] advised he was confident that MCMILLAN brandished the firearm because he ([REDACTED]) was seated next to MCMILLAN in the rear seat. [REDACTED] described the firearm in MCMILLAN's possession as being a black-colored pistol.

NASSAR said he has been a certified police officer for six and a half years. He has been employed with GPD throughout this time.

NASSAR stated that on Thursday, October 06, 2022, around 2:30 p.m., GPD received a 911 call for service concerning a reckless driver traveling in the area of Marina Cantina, at 8813 Lorraine Road, Gulfport, Mississippi. The caller, [REDACTED], telephone number [REDACTED], complained that occupants inside a silver Kia Soul, bearing a [REDACTED] license plate, were brandishing firearms while alongside his vehicle. [REDACTED] advised that the Kia Soul was following him. NASSAR said [REDACTED] informed GPD Dispatch that he was traveling through red traffic lights in order to evade the silver Kia Soul; however, the Kia Soul continued to follow him.

NASSAR advised that he, along with GPD Officer Benjamin Ford (FORD), telephone number [REDACTED], traveled to Pass Road, in Gulfport, Mississippi, to conduct an "area check" in an attempt to locate the Kia Soul. NASSAR said that while stopped in traffic, at the corner of Pass Road and Eighth Avenue, he was looking to the right when he observed a Kia Soul traveling south on Eighth Avenue. NASSAR stated that the Kia Soul turned rapidly into the parking lot of the Family Dollar (FD), located at 1016 Pass Road, Gulfport, Mississippi, and parked. NASSAR said he confirmed that a [REDACTED] license plate was on the Kia Soul. NASSAR

notified FORD that the Kia Soul had pulled into FD and that it was the vehicle described by GPD Dispatch.

NASSAR said FORD drove into the parking lot of FD, with his blue lights activated, and parked. NASSAR also drove into the parking lot and parked to the right of FORD's patrol vehicle. NASSAR observed multiple individuals moving inside the Kia Soul. NASSAR advised that two males then exited the Kia Soul and ran west on foot along the sidewalk of the front of FD, towards Eighth Avenue.

NASSAR stated that he identified himself as a Gulfport Police Officer and told MCMILLAN to stop. NASSAR said he "observed a black object" in the right hand of MCMILLAN and believed the object could have been a weapon. NASSAR advised that he gave another verbal command for MCMILLAN to stop; however, MCMILLAN did not stop running. NASSAR explained he was able to get "visual confirmation that it was a black handgun in his (MCMILLAN) right hand." NASSAR stated that he commanded MCMILLAN to "drop it." NASSAR said MCMILLAN then turned his body towards him while pointing the firearm in his (NASSAR) direction. NASSAR said he was then in fear of serious bodily injury or death to himself. At this time, NASSAR discharged his firearm while orienting his firearm toward MCMILLAN. NASSAR estimated the distance between himself and MCMILLAN to be five to seven yards. possession of his firearm and continued to pose a threat. NASSAR added that a parked vehicle momentarily blocked his view of MCMILLAN as he was moving to the east. NASSAR believed he discharged his firearm approximately eight times. NASSAR advised that at the time he discharged his firearm he believed that he was in imminent danger of death and/or bodily harm and that the object that was being held by MCMILLAN was a firearm. NASSAR explained that he did not utilize a less-than-lethal defense tool, such as a taser, during this incident because of his suspicion of MCMILLAN holding a deadly weapon.

NASSAR advised that after he discharged his firearm, MCMILLAN "collapsed to the ground." NASSAR said he called over the police radio to alert dispatch that shots had been fired and that FORD was in pursuit of another individual ([REDACTED]). Because of FORD being in pursuit of [REDACTED] and the FD building blocking his view of FORD, NASSAR believed that he was alone in the parking lot of FD with [REDACTED], [REDACTED], and [REDACTED]. NASSAR then turned his attention to [REDACTED], [REDACTED], and [REDACTED]; therefore, he was not able to continue to focus on MCMILLAN. On Thursday, November 03, 2022, I completed a search warrant for the Instagram account information for Instagram ID: ban5itout_jaheim. During the course of this investigation, it was determined that this account, belonging to Jahiem McMillan (MCMILLAN), depicted what looks to be MCMILLAN, brandishing a firearm. The significance of this video is that the weapon brandished could potentially be the weapon MCMILLAN was in possession of during the incident with law enforcement on October 06, 2022.

Candace Gregory (GREGORY), telephone number 769-234-0893, with the Mississippi Attorney General's Office (AG) reviewed and approved the search warrant. Once approved, I submitted the search warrant to a Harrison County Circuit Court Judge Christopher Schmidt (SCHMIDT), telephone number 228-865-4167. SCHMIDT reviewed the document and deemed there was sufficient probable cause to sign the search warrant. On the same date, I uploaded the signed search warrant to Instagram's law enforcement portal and received confirmation that the warrant was received. The signed search warrant and the confirmation email will be attached to this case file.

On Wednesday, November 23, 2022, I received nearly thirty-five thousand (35,000) pages of content from MCMILLAN's Instagram account. After reviewing content (mainly videos and pictures) from the days nearest the incident, I was able to capture several images of MCMILLAN brandishing numerous firearms and suspected marijuana. Most notable is a video of MCMILLAN pointing a black Taurus firearm towards the camera. This is the same make and model of the weapon MCMILLAN was in possession of on the date of the incident. I have attached several photos from MCMILLAN's Instagram account to this case file. The entire file was too large to upload; however, a copy will be placed in the Mississippi Bureau of Investigation (MBI) Biloxi Sub-Station File Room.

[REDACTED] told me she was not sure, but the police officers may have been conducting a traffic stop in the parking lot of FD. [REDACTED] said at that time, she walked to the rear of the store as she continued shopping.

While in the rear of the store, [REDACTED] said she heard gunshots. [REDACTED] explained she heard an initial gunshot followed by multiple other gunshots.
